

# Glasshouse LOI Draft

## DISCOVERY, PILOT SCOPING AND PROPOSED PILOT COLLABORATION

**Date:** [INSERT DATE]

This Letter of Intent (LOI) is entered into between:

1. **Glasshouse Group UK Ltd**

- Company number: 16898333
- Registered office: 5, Keith Park Crescent, Biggin Hill, Westerham, England, TN16 3ER
- Trading as: 360Engage (*Glasshouse*)

2. **[CLUB FULL LEGAL NAME]**

- Registered office: [INSERT]
- Company number: [INSERT, IF APPLICABLE] (*Club*)

Each a **Party** and together the **Parties**.

### A. Background and Purpose

A.1 This LOI records the Parties' intention to explore a potential pilot of the 360Engage platform (Platform). A.2 The Platform is a digital fan engagement, commerce, and insight solution developed and operated by Glasshouse (assisted by its technology partner, BioSquares, where applicable). Under this LOI, the Club's relationship is strictly with Glasshouse. A.3 The Parties wish to begin an initial discovery and pilot scoping process. If aligned, they intend to negotiate a definitive pilot agreement and statement of work.

---

## **1. Discovery and Pilot Scoping Framework**

1.1 The Parties will conduct a structured discovery process to assess the Club's objectives, operational needs, and potential pilot use cases. This includes:

- An initial discovery session between nominated representatives.
- Discussing goals around supporter engagement, sponsorship, merchandising, and data.
- Identifying user journeys, technical touchpoints, and implementation assumptions.
- Reviewing security, data protection, and governance requirements.
- Drafting a statement of work in good faith.

1.2 Good faith negotiation does not compel either Party to accept terms they consider unworkable.

## **2. Proposed Pilot Scope (Illustrative Only)**

2.1 Subject to mutually agreed final terms, a pilot may incorporate parts of the Platform tailored to the Club's priorities, such as:

- Supporter engagement journeys.
- Sponsor activation workflows.
- Conversational commerce integrations.
- Campaign reporting and insight dashboards.

2.2 This scope is purely indicative. No features, integration, timelines, or commercial outcomes are guaranteed unless confirmed in a definitive written agreement.

## **3. Platform Status and No Warranty**

3.1 The Club understands the Platform may involve MVP, beta, or development-stage features. Elements may be updated, modified, or removed during the discovery and scoping phase.

3.2 Glasshouse makes no warranties regarding the Platform's continuous availability, suitability for specific purposes, or capacity to deliver guaranteed commercial results at this stage.

#### **4. Data Protection and Ownership (Principles Only)**

4.1 Any personal data relating to supporters or other individuals will be processed in strict compliance with applicable data protection laws, including the UK GDPR and the Data Protection Act 2018.

4.2 Regarding Club supporter personal data:

- The Club remains the **data controller** and sole owner of its supporter data.
- Glasshouse acts as a **data processor** when handling such data on the Club's behalf.
- A suitable data processing agreement must be executed before live processing starts.

4.3 Glasshouse retains full ownership of the Platform, its underlying IP, and its proprietary data architectures (including the structured Fan Graph, data models, and analytics schema). This excludes any Club-owned personal data.

4.4 Any rights for Glasshouse to use aggregated or de-identified data for product improvement will ensure neither the Club nor its supporters can be identified, and will be governed by the final written agreement.

#### **5. Intellectual Property**

5.1 Except as expressly stated in a definitive agreement, this LOI grants no intellectual property licenses or transfers.

5.2 The Club retains all rights to its name, crest, branding, content, and data.

5.3 Glasshouse retains all rights to the Platform, its software, workflows, and any modifications or improvements made during these discussions or a subsequent pilot.

## **6. Non-Binding Nature and Exit Rights**

6.1 **Non-Binding.** Except for the Binding Clauses listed in section 6.2, this LOI does not create legal obligations. Neither Party is compelled to proceed with a pilot or any commercial agreement.

6.2 **Binding Clauses.** The following clauses are legally binding:

- Clause 7 (Confidentiality and Reference Rights)
- Clause 8 (Governing Law and Jurisdiction)
- Clause 9 (Costs)
- Clause 10 (No Partnership or Exclusivity)

6.3 **Exit Rights.** Either Party may terminate these discussions at any time, without liability, prior to signing a definitive agreement. The Binding Clauses will survive termination.

## **7. Confidentiality and Reference Rights**

7.1 Both Parties commit to keeping shared information strictly confidential. Unauthorised disclosure is prohibited.

7.2 A Party may only share the other's confidential information with:

- Employees, officers, or professional advisers who need to know.

- Prospective investors, funders, or strategic partners (under equivalent confidentiality obligations) to support Glasshouse's fundraising and development goals.
- As strictly required by law or competent regulatory authorities.

7.3 This confidentiality obligation remains in effect for two (2) years from the date of this LOI.

7.4 **Reference Rights:** The Club grants Glasshouse a limited right to refer to the Club by name in confidential fundraising and strategic partner discussions, solely to demonstrate market interest.

- Glasshouse must be factual and explicitly avoid implying endorsement, a finalised pilot, or assured commercial outcomes.
- Glasshouse cannot use the Club's crest, logos, or issue public announcements without prior written consent (which should not be unreasonably withheld for standard investor references).

## **8. Governing Law and Jurisdiction**

8.1 This LOI, and any associated disputes, shall be governed by the laws of England and Wales.

8.2 The courts of England and Wales hold exclusive jurisdiction over any claims.

## **9. Costs**

9.1 Each Party covers its own costs related to the negotiation, scoping, and preparation of any agreements unless agreed otherwise in writing.

## **10. No Partnership or Exclusivity**

10.1 This LOI does not establish a partnership, joint venture, agency, or employment relationship.

10.2 Neither Party has the authority to legally bind the other.

10.3 This agreement is not exclusive; either Party remains free to discuss similar opportunities with third parties.
